### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

The prior art does not disclose or adequately suggest the instantly claimed arrangement in a circulating fluidized bed reactor system, wherein the arrangement comprises, in particular, a gas plenum defined by an enclosure comprising a ceiling, a bottom, and walls positioned above and integrated with the reaction chamber, for directing exhaust gases that are discharged from at least two particle separators to a heat recovery section, wherein the enclosure of the gas plenum is formed by water tube panels as extensions of the water tube panels of the reaction chamber, and the gas plenum is divided into at least two separate chambers by at least one partition formed by at least one water tube panel as an extension of at least one of the water tube panels of the reaction chamber.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
